God Allows U-Turns for Women *The Choices We Make Change the Story of Our Life*® by Allison Bottke

Minneapolis, MN—Allison Bottke has a focused purpose in life: to share the good news that God Allows U-Turns for all who come to Him. She discovered God's wonderful love in 1989, and her life turned around. In *God Allows U-Turns for Women*, Allison gives voice to many women of all ages and life situations who have also made U-Turns—some major life-altering turnarounds and some touching, highly personal changes.

This powerful and candid collection of stories from real-life women—ranging from someone who has struggled with alcohol addiction to one who has seen a powerful transformation in her marriage—is one with which readers will quickly identify. Readers will find encouragement and support in overcoming difficult relationships, financial battles, serious illness, or the death of a loved one. Each story in *God Allows U-Turns for Women* is just the right length for devotional reading and reveals God's grace and mercy, making it appealing to those who need God's healing touch. It also makes a great Mother's Day gift.
