God Allow U-Turns® for Youth Series Introduces Three New Interactive Adventure Books THE PASTRAMI , PROJECT GET REAL, and FRIEND or FREAK

COLORADO SPRINGS, CO- This fun book series for middle-schoolers (ages 8-12) enables the reader to decide how the story develops! The Pastrami Project, Get Real, and Friend or Freak all teach principles found in 1 Corinthians 13, that love is not self-seeking, love is not proud, and loves always hopes and does not delight in evil. As the main character, the reader will make choices throughout the books-and each choice will take the story in a particular direction! Youth will make choices about whether to cheat on a project and whether to help others with their work. They'll make choices about who he/she will hang out with, whether the trendy, popular crowd or a kid from church who's called a freak. Youth will make choices about whether to admit to being a Christian and whether to live as one at school. Various endings can result from the choices made-but there's always an opportunity for a U-turn after poor choices have been made! Because **God Allows U-Turns®!**
